IN HONOR OF THE NATIONAL ATTENTION DEFICIT DISORDER AWARENESS DAY

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 8, 2004*

Mr. FARR. Mr. Speaker, I rise today in commemoration of the first ever "National Attention Deficit Disorder Awareness Day." This day, made official by Senate Resolution 370, will serve as an important tool in furthering the national education campaign about Attention Deficit Hyperactivity Disorder, also known as AD/HD.

Although AD/HD can affect people across racial, ethnic, and socioeconomic lines, poor and minority communities have been especially underserved by the available resources. The disorder can interfere with school and workplace activities, lead to antisocial behavior, and even substance abuse and problems with the justice system. It is only recently that AD/HD has received national attention, so there are still many children and adults who remain undiagnosed and suffering from the stigma associated with this disorder.

Children and Adults with Attention-Deficit/Hyperactivity Disorder (CHADD), a national non-profit organization, was founded in 1987 to increase awareness and offer resources and encouragement to those suffering from the disorder and their family members. Recently CHADD has expanded into Santa Cruz County with the creation of Chapter #605, and I would like to take this opportunity to welcome them to our community. Only through education and understanding can we, as a nation, begin to address the effects of this disorder and seek ways to treat it.

It is important to realize the effect AD/HD can have on individuals and communities, and I would like to commend the efforts of CHADD Chapter #605 in their goal of expanding understanding of this disorder. Through combining grassroots campaigns with the new "National Attention Deficit Disorder Awareness Day" we can begin to address this problem on both a local and national level.

DUDLEY DEZONIA—30TH ANNIVERSARY PRESIDENT OF ROYAL TRUCK BODY

**HON. LINDA T. SÁNCHEZ**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 8, 2004*

Ms. LINDA T. SÁNCHEZ of California. Mr. Speaker, let us celebrate the entrepreneurial spirit in America by recognizing a deserving and generous member of the community—Mr.

Dudley DeZonia, who has successfully been at the helm for 30 years as President of Royal Truck Body.

Businesses like Royal Truck Body are the backbone of this country and they are an enduring symbol of the American Dream. The approximately 23 million businesses of the size and scale of companies like ROYAL in the United States employ more than half of the country's private work force, create three of every four new jobs, and generate most of America's innovations.

For example, 30 years ago in my district, Mr. DeZonia had a dream to lead a truck body business in the City of Paramount, California. His long-term vision for Royal Truck Body was and still is to deliver top-quality products at competitive prices, which has enabled the "ROYAL" trademark to become the recognized leader and largest service body company in the Western United States.

Royal Truck Body has a 5,000-square-foot design studio and 145,000 square feet of manufacturing and warehousing space. ROYAL pushes this space even further with an additional 40,000 sq. ft. at its satellite locations in Phoenix, Arizona; Dallas, Texas; and Sacramento, California.

Royal Truck Body has had a continuing pattern of growth since its inception, and its growth recently has been at an ever-accelerating pace. In 1995, ROYAL became a bailment pool company for Chevrolet; in 1997, it became a converter pool company for both Ford and GMC; and in 2000, it added Dodge. ROYAL has also been a member of the National Truck Equipment Association since 1978.

Royal Truck Body has grown from producing four truck bodies per day to more than 35 bodies per day. ROYAL earned its ISO 9001 certification in 1999, which made it the first body manufacturer in the United States to achieve this goal. From 2001 to 2003, ROYAL was awarded General Motors Specialty Vehicle Sales Leader Award in the United States. Also, in 2002, Ford presented ROYAL with the Top Volume Pool Account Award and the Ford's Directors Award for top volume of F-Series chassis cabs.

Mr. DeZonia is a business success story, and he continues to make many contributions to the local community. He consistently donates to the local Paramount Education Partnership and to seniors at Paramount High School for college scholarships. ROYAL prides itself in its employees' successes because its employees are its family.

Today, let us honor Mr. Dudley DeZonia. By celebrating Mr. Dudley DeZonia's successes, we celebrate American enterprise. Mr. DeZonia is keeping the American Dream alive and well for future generations.

PAYING TRIBUTE TO KENDALL EVANS

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 8, 2004*

Mr. McINNIS. Mr. Speaker, it is a privilege to rise before this body of Congress and this nation to recognize the dedication of Kendall Evans of Aspen, Colorado for his hard work and dedication in educating our youth. After

serving nine years as the principal for Aspen High School, Kendall announced his retirement after the completion of the 2004–2005 academic year. As Kendall prepares for retirement, let it be known that I, along with the Aspen community am grateful for the commitment he has shown to educating our next generation of leaders.

Kendall started his career in education as a high school teacher thirty-one years ago. After spending much of his career positively influencing students in the classroom, he had the opportunity to have a different impact working in administration. Nine years ago, Kendall accepted the job as the principal at Aspen High School. During his tenure as principal, Kendall has led the charge to improve the quality of and access to education in the area. Following his lead, the school added accelerated classes as part of the International Baccalaureate program. His most significant achievement was to complete the forty-one million dollar renovation and expansion of the high school.

Mr. Speaker, Kendall Evans has done a remarkable job during his career at Aspen High School. As principal, he has provided tremendous leadership for the faculty, and as a teacher, he has provided insight for his students. I thank him for his commitment to education, and wish him all the best in his last year at Aspen High School.

Mr. DAVIS of Tennessee. Mr. Speaker, as Congress debates issues of vital importance to our Nation's education and defense, I would like to take a few minutes to say thank you to a well respected individual in the 4th District of Tennessee.
